A has blossomed under the guardianship & tutelage of M.D. Mrs. Vijayshree Khanorkar, a highly dedicated professional lady. She has done a commendable job in propagating Ayurveda in India and abroad. Her training started in her childhood, under the guidance of her grandmother, who was a „Vaid” (Ayurvedic Doctor). Later on, Mrs. Khanorkar pursued the formal training in Ayurveda, and became an expert in Ayurvedic cosmetology. She carries out research activities in a highly sophisticated lab. Her purpose is to bring out qualified products having only natural herbs to suit all types of skin and hair.
